

Membership Benefits

Priority Seating

RMES members are allowed into the performance auditorium 10-15 minutes before the general public. With priority seating, RMES members can avoid long lines at the door and be provided with the opportunity to select the best seats in the house before the general public enters the performance auditorium.

Discounted Tickets

RMES members can purchase a single discounted ticket for each show in correspondence to the year(s) printed on their card (The discounted rate may vary depending on the show). Cardholders may buy single tickets for other cardholders in their family (subject to verification of membership status. One discounted ticket per member).

Much More

Each season RMES will offer benefits that will be exclusive to our members and may vary from show to show. Some of those benefits in the past have included signed cast posters, discounts at the concessions table, and insider information regarding upcoming RMES projects.

USAGE:

Each membership card is the property of RMES. It provides the individual whose name appears herein with pre-specified, revocable privileges, which may be changed or cancelled at any time without notice.

Membership cards should be shown when buying tickets. Showing your membership card will expedite the ticket buying process. If you don't have your card available, we will look your name up. Proof of your identity will be required. Thank you for your understanding.

Membership cards cannot be used by, or loaned, to a non-member. A membership card can only be used for the benefit of the named holder.

If your card is lost or stolen, please contact the Ridgecrest Musical Enrichment Society and a replacement card will be issued.
